## ~Port Allegany Family Center Activity Descriptions~

### **Children In The Middle**

For parents going through divorce or separation. Parents will learn how to reduce the stress that children experience during divorce or separation, how not to put children in the middle of conflict and how not to utilize children as messengers or spies. There is no childcare during classes. To enroll, call The Smethport Family Center at 887-9344.

### **Parents As Teachers Graduation**

Celebration for children and parents who have completed the Parents As Teachers Home Visit Program.

### **Parent-Child Playgroup: Birth to 5**

Discover how children learn through play. A wonderful opportunity for parents and children to play and socialize with their peers. A healthy snack will be provided. We ask that parents/guardians supervise their children at all times. To enroll, call the Port Allegany Family Center at 642-9281.
